

**BLACKJACK**  
**PIZZA & SALADS**

Blackjack Pizza was founded in 1983 by Vince Schmuhl with the first location opening June 29th of 1983 in Federal Heights, CO. In 1988, Blackjack officially became a franchisor using the concept of an owner/operator franchisee at each store location. We have continued to add franchise outlets to the system under a policy of slow, controlled growth.

Today there are 42 stores in operation in five states. What made us think that we could compete with national chains? It's the passion that we put into our products. Our handcrafted products are made in-house from our pizzas and breads to our salad dressings and success. We care to provide you with nothing but the best freshest ingredients and never frozen cheese blends. Our commitment to quality sets us apart from our competition.
